

LAPAROSCOPIC UPPER URINARY TRACT PORCINE MODEL COURSE

19-20 November 2021, Friday & Saturday

Venue: Koç University Hospital, RMK AIMES*, Istanbul, Turkey

*RMK AIMES: Rahmi M. Koç Academy of Interventional Medicine, Education and Simulation

ERUS Certified Robotic Training Center (ERUS: European Association of Urology Robotic Urology Section)

AIMS AND OBJECTIVES:

Basic knowledge on laparoscopy will be presented. Training on laparoscopic and suturing skills will be given including depth perception, dexterity, instrument handling and pattern cutting. Course content will follow European Basic Laparoscopic Urological Skills (E-BLUS) training programme. How to choose instruments, air insufflations and access will be explained. Preventing, recognising and management of complications will be discussed. Surgical anatomy of the upper urinary tract will be presented and trainees will be able to hands-on practice laparoscopic upper urinary tract surgical procedures hands-on training on porcine models under anaesthesia.

COURSE CONTENT:

*Lectures on laparoscopic instruments

*Video presentations of the laparoscopic upper urinary tract procedures

*Training on laparoscopic simulators and training-boxes

*Hands-on training on porcine models under anaesthesia:

- Performing abdominal port placement
- Performing laparoscopic partial nephrectomy
- Performing laparoscopic nephrectomy & nephroureterectomy
- Performing adrenalectomy
- Major vessel injury repair

*Live case observation in the operating room

Tutors

Prof. Yakup Kordan, M.D.
Chairman, Department of Urology
Koç University School of Medicine

Prof. Burak Koçak, M.D.
Department of Urology
Koç University School of Medicine

Prof. A. Erdem Canda, M.D.
Department of Urology
Koç University School of Medicine

Assis. Prof. M. Can Kiremit, M.D.
Department of Urology
Koç University School of Medicine

Associate Prof. Emre Arpalı, M.D.
Department of Urology
Koç University School of Medicine

Ersin Köseoğlu, M.D.
Department of Urology
Koç University School of Medicine

Arif Özkan, M.D.
Uro-Oncology Fellow
Department of Urology
Koç University School of Medicine
